# One Green Bottle

Written and directed by Hideki Noda

Bo, Boo and Pickle all have plans, but someone must stay home to care for their pregnant dog, Princess. Trivial disputes and slapstick mischief quickly morph into family feuds and also, possibly, to the end of the world. From renowned Japanese playwright Hideki Noda, *One Green Bottle* is an absurd farce that artfully illustrates our “selfie” society’s relationship with consumerism and modern technology through one night in the life of a disordered family on the road to ruin with. The production stars Hideki himself, along with Lilo Baur and Glyn Pritchard. The English translation is adapted by Will Sharpe and features music based on traditional Japanese Noh and Kabuki, performed by Genichiro Tanaka.
